

Hello,

My name is Tyler Alcorn; I am a first-year student at Oklahoma State University, studying Civil Engineering, specializing in Environmental. I am involved in many student organizations, including the Society of Women Engineers and the American Society of Civil Engineers.

After graduation, I plan to work for the Department of Defense with the U.S. Army Corps of Civil Engineers.

I am grateful for your support. Your donation has lightened my financial burden. This allows me to focus on my studies and prioritize educational opportunities.

Thank you so much!
