Dear Southwest Oklahoma Chapter,

We are excited to inform you that a student from the MOAA Education Assistance Program has been selected to receive the "Southwest Oklahoma Chapter #4" Designated Scholarship. Your generous contributions have played an essential role in making our Designated Scholarships possible, and we are incredibly grateful for your continued support of The MOAA Scholarship Fund.

We would like to share a message on behalf of Sonrisa Bebo, who was matched to your scholarship.

I just want to say thank you for your kind generosity and helping to further my education. I am entering my senior year at Oklahoma State University and I am studying French with a minor in Global Studies. I will also be starting my Business Analytics and Data Science masters program in the fall. This past spring semester I was able to study abroad in France which was absolutely incredible. I had some incredible opportunities to travel, meet people from all over the world, and further my fluency in French. After I finish my education here at OSU, I plan on obtaining a Masters of Sustainability Management. I currently volunteer for a nonprofit that works with water accessibility in rural Zimbabwe and with this degree, I could eventually turn that volunteer work into my career. It is a big passion of mine and one I hope I get to spend the rest of my life cultivating. Thank you so much again, without your help I would not be in the position I am in today!

Once again, thank you for your generous support and for making a lasting difference in the lives of our military families and their children.

Sincerely,

The MOAA Scholarship Fund
